Subject: Approval Request for Academic Pursuit CTC Reimbursement

Hi Somya,

I am writing to request your approval for my **Academic Pursuit CTC reimbursement submission**, which is currently being deducted from my CTC. As per the process, **AVP and above approval is required** to proceed with the claim.

I have attached the **Academic Pursuit Claim Form** along with the required supporting document.

Requesting you to please review the submission and provide your approval so that the reimbursement can be processed.

Thank you for your time and support.

Best regards,
Varada Vamsi
